

edu-wize

YOUR PARTNER IN TRANSFORMATION

In turn for your trust in us, our services are
100% customer satisfaction guaranteed.

**Proud BEE Level 2
company with 51%
designated ownership**

We are accredited with the following SETA's AGRI, TETA, CETA, QCTO, BANK, MICT, W&R, DOL and HWSETA.

Learnerships and Skills Programmes

When you embark on learnerships with Edu Wize we take accountability to ensure you meet the legislative deadlines and requirements for the maximum return on investment. We ensure the number of learners enrolled exit the programme and provide placements for absorption points. We are so confident in our quality that we guarantee a smooth hassle free process from start to end.

Value-added services at no cost to our Clients when you do learnerships with Edu Wize;

- IT180 and ETI incentives up to R120 000.00 per learner you enroll for a learnership with us
- WSP and ATR drafting and submission (Workplace skills plan and Actual training report)
- Employment Equity Plan
- SETA Liason
- Learner Recruitment including background and disability screening
- Learner Absorption on completion of learnership
- Learner hosting at our Academy with unlimited PC, printing and wifi access
- Skills resource and BEE audit file preparation

Edu Wize accredited QCTO assessment centre

The QCTO accredited assessment centres are responsible for ensuring the integrity and quality of EISA and certification for occupational qualifications and trades. Only accredited assessment centres may deliver assessments for QCTO certification.

Mandatory Training

Accredited with TETA and the Department of Labour.

Our assessors equip workers with the knowledge on how to perform their duties correctly and in the safest way possible. All our programmes are accredited with the relevant SETA and the Department of Labour.

Personal Mastery Programme

With the implementation of our bespoke training programmes, Edu Wize solves a set of problems that exist in all organisations. These include;

Personal Mastery programme

Cultural Awareness programme

Performance Management

Through staff development we assist organisations to deal with **human resource challenges** and **"people problems"** that have a negative impact on the organisation.
